Text	The bird has a black body and a yellow head with a black eye and beak.	This bird is white with black on its back and has a long, pointy beak.	A bird with small triangular bill, blue coverts, and blue plumage covering the rest of its body.	This bird is mostly red with a black patch around its bill and superciliary.	 A train traveling down train tracks next to trees.	A man surfing some waves on his white surfboard.	A group of people riding skis on top of a ski slope.	A narrow hotel room with two made up beds.
